# Green Candidates!

FOR GOVERNOR

## Dr. Michael White

- Upgrade Wisconsin's health care system
- Act swiftly against the environmental and health threat that is global warming

- Mitigate the effects of Wisconsin's biggest polluters, including Foxconn
- Care for Wisconsin veterans and promote peace
- Bring back funding to schools, infrastructure, and natural resources

FOR LIEUTENANT GOVERNOR

## Tiffany Anderson

- Invest in sustainable energy and fully fund education
- Repair Wisconsin roads
- Replace Wisconsin aging leadpipe infrastructure
- Protect our environment from polluters and restore common sense regulation
- Seek transparent election laws that will give the voice back to the people
- Deliver a transparent, accountable and thriving future for the people of Wisconsin
